No police reports were made on any of these assaults  
My Medical Records were erased by  
this Hospital. I cannot get proper care for  
my injuries I was operated on many times on  
physical Assaults. My visual perception height &  
depth is dangerously affecting my life. Not  
one mailing of these rehabilitation follow-ups  
did I receive. I lost my memory in these injuries  
every time. All my injuries resulted in memory  
loss. I was in Hospital 10 times or more in  
surgeries. Deana James A Registered Nurse is an X-Fiance  
I had experimental eye surgery & implant.
